

Board Highlights

Board Highlights are sent out each month, following the Board of Education meeting, to communicate to District staff and stakeholders the essential topics discussed and voted on during the meeting.

Superintendent's Report

- ❖ Mr. Denton shared a video that was produced by Lightspeed Systems, a company the district has partnered with to provide online learning solutions and a mobile device management system. It's a very positive piece that shows how YPS is striving to provide an innovative learning environment for our students. This video can be viewed on the YPS Facebook page.

Business Items

- ❖ Mr. Denton recommended to the Board they postpone the vote on Board policy until further review could be done.
- ❖ Mr. Denton recommended to the Board they approve the Professional Flex Plan with implementation to start at the beginning of the 2014-2015 school year. The postponement would allow all new principals time to transition into their new roles. Also, this extra time would provide schools more time to adapt to existing state-mandated initiatives already taking precedence this year, namely Teacher and Leader Effectiveness (TLE) and Common Core.
- ❖ The BOE declared Post 4 vacant. This is the post Jeff Deckard resigned last month. Applications and letters of interest will be accepted through the end of business July 29, 2013. Once applications have been received and reviewed, interviews will be scheduled with the Board members. The application is on the YPS website or can be picked up in the Superintendent's office at the Administration building, 600 Maple Street.
